Documentation to Support Domicile and Residency

The following documentation may be requested by the institution in order to resolve issues raised by responses to the Core Residency Questions. The listed documents may be used to establish that the person is domiciled in Texas and has maintained a residence in Texas continuously for 12 months prior to the census date.

Part A: Documentation that can support the establishment of a domicile and demonstrate the maintenance of a residence in Texas for the 12 months prior to the Census Date of the term in which the person enrolls.

1. An employer's statement of dates of employment (beginning and current or ending dates) that encompass at least 12 months. Other documents that show the person has been engaged in activities intended to provide an income to a person or allow a person to avoid the expense of paying another person to perform the tasks (as in child care or the maintenance of a home) may also be used, as well as documents that show the person is self-employed, employed as a homemaker, or is living off his/her earnings, or through public assistance. Student employment, such as work-study, the receipt of stipends, fellowships or research/teaching assistantships do not qualify as a basis for establishing a domicile.

2. Marriage certificate with documentation to support that spouse is a domiciliary of Texas
3. Ownership of business in Texas with documents that evidence the organization or the business as a partnership or corporation and reflect the ownership interest of the person or dependent's parent.
4. State or local licenses to conduct a business or practice a profession in the state.

Part C: Documents that may be used to demonstrate maintenance of a residence for 12 months: These documents do not show the establishment of a domicile. They only support a person's claim to have resided in the state for at least 12 months. Activities in Part A and B of this Chart may be used to establish a domicile.

1. Utility bills for the 12 months preceding the census date
2. A high school transcript for a full senior year preceding the census date
